

## Notice to Springfield membership

**2025** is the year to hopefully rebuild our club shoot program. A number of club shoots have been planned to hopefully spur the club into structured competitions. Club competitions is a time for members to mix and informally compete between each other and this is the time for new shooters to learn from experienced members.

The following shoots have been placed on the club calendar

- **Bulls-eye** matches for both centre fire and rim fire utilizing handguns and rifles There is a maximum number of participants for these matches.
- **Cowboy / Wild bunch** for both centre fire and rim fire. Each match will require either 2 revolvers or 1 semi-automatic plus a pump or double barrel shotgun and a rifle in pistol calibre. Centre fire and rim fire matches will be on sperate days.
- **Practical Pistol** matches for both centre fire and rim fire. All handguns must be carried on the strong side and concealed under clothing. Don't have experience with a holster let Tim know ([preplan@nb.sympatico.ca](mailto:preplan@nb.sympatico.ca)) and we can arrange instruction.

All club shoots require confirmation of participation no less than 14 days in advance. If you commit, please show.

Please reference the club calendar for particulars.

Tim Kairns

**Following are the Springfield organized shoots for 2025**

Preregistration for club shoots 14 days before event with Tim at [preplan@nb.sympatico.ca](mailto:preplan@nb.sympatico.ca)
